Twin Creeks e-News

WELCOME...

Autumn is here, and there is no better way to celebrate the cooler weather by getting out onto the golf course. After a long hot summer, take some time out to play on this challenging, yet enjoyable course.

Due to newly acquired aeration technology 'Planet Air', Twin Creeks will not be required to do Autumn Renovations in 2010.

With what have been described as the best greens in Sydney, why not take advantage of this opportunity to play Twin Creeks on perfect greens at a time when most are under repair.

During the month of April we will be offering groups up to 8 people the opportunity to play golf with carts for only \$75.00pp. Offer excludes special event days.

Twin Creeks looks forward to seeing you soon.
